Greetings and welcome to our website and to our church. Whether you have already visited us or stumbled upon us on the internet we welcome you to this exciting and growing community of faith. We hope our website will help you learn more about who we are and be a source of information about Emmanuel and the Episcopal Church.

We are a rural parish community learning to live and grow in the love of Jesus Christ. For over 150 years we have strived to be a place where **all** people can experience the love and grace of our ever present God. We worship, sing, and learn as a community. With a host of ministries we strive to serve Christ by serving our brothers and sisters here in Fauquier County and beyond.

We have discovered as a community of faith that many of us are searching for something beyond ourselves, be it meaningful connections, a place where our children and teenagers can grow and feel safe and supported, or the freedom to ask our questions. Whatever your reasons, we invite you to explore Emmanuel, a place where we come as we are while striving to become the people God created us to be.

If you are passing through town or looking for a spiritual home we would love to have you join us. As always, please feel free to call our church office or stop by if you have any questions or would like more information. We would love to hear from you!

Blessings upon you and yours,

Amanda R. Knouse+
